Pole Mounted HVLS Fans

When you need maximum airflow on the move, you need AirGo. Featuring Spyro Fans patented HVLS technology in durable, portable frame, it delivers targeted airflow on a massive scale. Simply dial in the exact level of cooling you need and let AirGo improve conditions on the factory floor, in the service bay, or on the sidelines

Key Features

- **Direct-drive permanent magnet motor** ensures silent operation with minimal maintenance
- **High-volume airflow** coverage ideal for large industrial and commercial spaces
- **Variable speed control** for customized comfort and energy optimization
- **Low noise operation** suitable for warehouses, factories, and public spaces
- **IP-rated motor** protection suitable for dusty and industrial conditions

Diameter	Voltage	Warranty	Weight
8 - 16 ft	235-410 V	Up to 3 years	100 - 180 Kg
